## Predictive Lap Timing and more at the Racelogic stand at Autosport

Are you going to the Autosport Show? Are you interested in cutting lap times and finding out about the latest award winning technology? If so, there's only one stop to make - come to Racelogic's stand in hall 7.

### Racelogic Service Area
For the first time at Autosport Racelogic's support team will be on hand to assist current customers. Whether you need help with software, updating firmware, or want to replace a GPS antenna - just come along to the new Racelogic Service Area!

### Capture your Caterham Experience
If you fancy taking a ride in what many consider to be the ultimate road legal race car, why not take part in the Caterham Experience at Autosport. All cars are fitted with a Video VBOX.

### Win a Video VBOX
Racelogic are giving one lucky person the chance to walk away with a new two camera Video VBOX Lite worth £1,000 - just fill in one of our cards and drop it in the glass box on the stand!

We look forward to seeing you on stand 7535!
