

VBOX Q4 Tablet PC

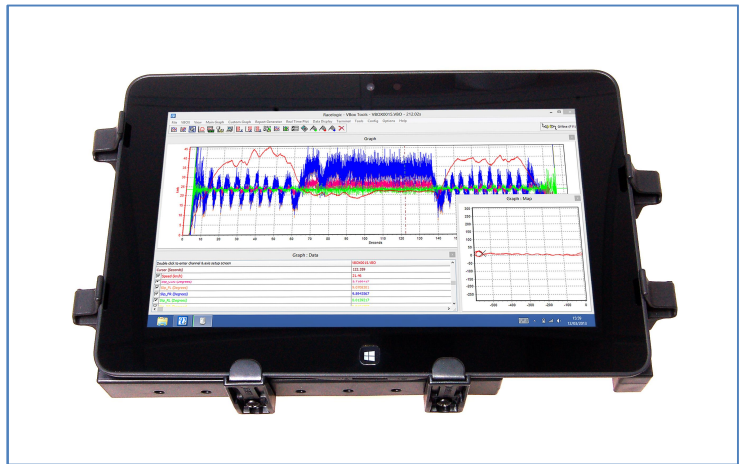

RLVBQ4

VBOX Q4 Tablet PC

The VBOX Q4 Tablet PC consists of a fully operational tablet PC and data cables for connection to other VBOX products, resulting in a compact live logging or post-processing package which does not compromise on functionality.

Preinstalled with VBOX Tools software and supplied with all the cables and accessories required to connect to VBOX units, the Q4 Tablet PC ideal for applications which require immediate PC access without having to use a full sized laptop.

- Fully functional tablet PC with Windows 8
- 10.1" IPS (1366 X 768) Wide View Angle LCD, Corning® Gorilla® Glass, Capacitive 10 Finger Touch
- 64GB Solid State hard drive
- USB 2.0 interface with Integrated SD Card reader
- Powerful VBOX Tools software
- VBOX connection cables
- Windscreen suction mount included
