

VBOX Q5 Tablet PC

RLVBQ5

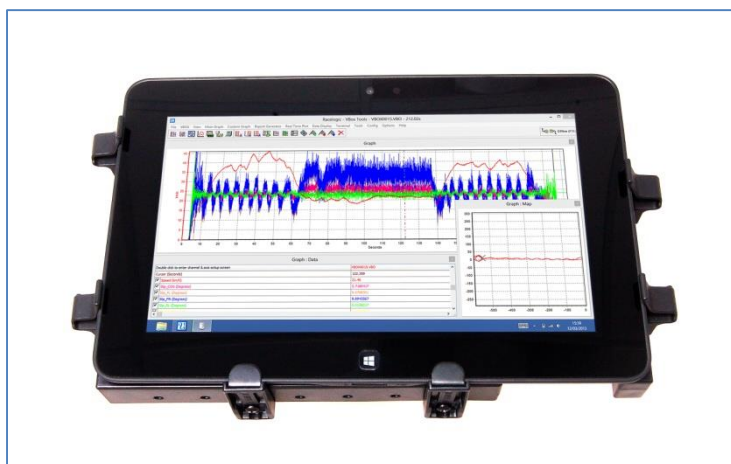

VBOX Q5 Tablet PC

The VBOX Q5 Tablet PC consists of a fully operational tablet PC and data cables for connection to other VBOX products, resulting in a compact live logging or post-processing package which does not compromise on functionality.

Preinstalled with VBOX Tools software and supplied with all the cables and accessories required to connect to VBOX units, the Q5 Tablet PC is ideal for applications which require immediate PC access without having to use a full sized laptop.

- Fully functional tablet PC with Windows 8.1
- 10.8" IPS (1920 X 1080) Full HD Display with 10-Point Capacitive Touch
- 64GB Solid State hard drive
- USB 3.0 interface
- Powerful VBOX Tools software
- VBOX connection cables
- Windscreen suction mount included
